ABOUT ME

I am a Frontend developer and I am seeking an opportunity to extend my Web development skills and knowledge. Extremely passionate about software architecture and design combined with sensitivity to serve the needs of the business with the delivery of high-quality solutions

EDUCATION AND TRAINING

Fresh Graduate from the faculty of informatics engineering, Tishreen University

[10/2018 – 10/2022]

Address: (Syria)

WORK EXPERIENCE

Frontend Developer intern

Codlex [07/2021 – 10/2021]

City: Lattakia

Country: Syria

Creating responsive web designs and making them fully functional with a Back_End.
Sharing my code with a group and communicating with each other to find the best solution.

DIGITAL SKILLS

My Digital Skills

HTML / JavaScript / CSS / SCSS / React.js / Git / Node.js / MaterialUI

PROJECTS

E-Commerce Shop

I built the Frontend side of a webshop using Commerce.js API, ReactJs, and MUI which includes payments with stripe.js and real-time cart updation

Furniture Shop

An Amazing looking online Furniture Shop with the ability to add and delete items in a cart and store the cart in the local storage.

Restaurant Meal Search

I used MealDB API to build a restaurant meal search by ingredient name.

Tic Tac Toe Game

I Built a Tic Tac Toe Game using HTML, CSS, and JavaScript
